Register On-line at https://revolutionise.com.au/apyc/registration/

Membership Enquiries: membership@apyc.org.au **Main web site:** www.apyc.org.au

All applications must be made through the Australian Sailing on-line system "Revolutionise Sports" (RevSports) at the above registration URL.

Payment

The on-line registration form creates an invoice which can be paid immediately with a "**Debit/Credit Card"** or downloaded and paid later by "**Bank deposit"** or "**Credit card (on paper)**" which means EFTPOS at the club or by sending card details to **membership@apyc.org.au** by email or post to the PO box. We also accept cash and cheques. Note that the "**Debit/Credit Card"** option does not accept part-payment unless pre-arranged. It also costs the Club significantly more in bank fees (over 2%) than the other methods.

Pensioner Discount

If you hold a Commonwealth Health Care Card then a discount of up to 37.5% on Senior **or Family** membership can be applied by the Membership Secretary to your invoice. So do not pay your registration immediately on-line – contact the Membership Secretary at **membership@apyc.org.au**.

Required Details for New Member Registration

Whether sailing or not all new members are registered with Australian Sailing (AS) using the "Revolutionise" (aka RevSports) online system. If you have been registered with AS in the last few years then you will have an AS Number – there is a link to find your number – then you can register as a "RETURNING MEMBER" and provide only your **AS Number**, your **Last name**, and your **Date of birth**.
Otherwise the following are required:

- First name
- Last name (may include spaces and apostrophes ')
- Date of birth (absolutely essential – we do keep this private)
- Gender (Male, Female, Non-Binary, Differently identify)
- Postcode
- Mobile phone number (can be that of a parent)
- Email address (can be that of a parent or Family Head)

Optional information:

- Street address and suburb – please provide (we send birthday cards to those 18+)
- Home phone
- Emergency contact's name and phone number – provide this unless **Social** membership.
- Relevant medical information

How to Register a Family:

- One person, type **Senior Family Head** or **Winter Family Head**, pays all the fees. Register that person first, adding on all required key, locker, boat storage and training.
- **(not Winter)** Open the Membership Details email you will receive automatically and click the links to register the other family members in turn:
  - up to one other (non-student) adult as **Senior in Family** – zero fee;
  - each **Student in Family** or **Junior in Family** – also zero fee.
- **(Winter)** Register each other person as Winter Family Member – zero fee.
- We only need the street address and suburb for the family head.
- After registration we link family members to the head member and normally suppress near-duplicate emails.

After Registration

Membership Details Email:
If you did not have an AS Number, this email will tell you it and your loginID with a link to establish a RevSports password. If you did have an AS Number it will tell you it and your loginID. If you have forgotten your login &/or password then try to login to RevSports via https://revolutionise.com.au/apyc/ and there is a mechanism to email you your login and set a new password. After login please check and, if needed, correct your personal details.

Tell us about your Boats:
Joining the club automatically enters you into our races and we need to manage boat storage. So after you receive your login details please either **log in and edit** the field Boat List, or **send an email to membership** with the following for each relevant boat (please use underscores instead of spaces in Boat_name and Hull_colour):
Class Sail_no. Boat_name Hull_colour **storage** (or nothing)

Committee Approval
Currently our constitution requires reproval for new regular members (Family, Senior, Student, Junior). This will occur after registration at the next Committee meeting (11 times a year) or by circulation. In the highly unlikely event that your registration is not approved all fees we received will be refunded promptly.

Renewal

We will send invoices to paid-up (financial members). This will take place soon after October 1st when the on-line database is "rolled over". If your membership has lapsed and you cannot register to rejoin, please contact us.
